Description of Encroachment Desired

Additional Conditions / Right of Way Notes

1. Owner agrees to pay for entire costs relating to this encroachment, including installation, maintenance, and removal.

2. Owner of this permit hereby agrees to assume the defense of and hold harmless the City of Solvang, it's officers, agents and employees, from all expenses and attorney's fees, damages, claims, demands, suits, liabilities, or payments of any kind incurred due to the maintenance of the property indicated hereon, or due to the granting of this permit.

3. Owners release the City of Solvang, it's agents, officers and employees from all damage done to this encroachment.

4. The owners agree that this permit creates no vested right to continue to maintain the encroachment on the Public or City of Solvang property and the owners agree, at owner's cost and expense to remove the encroachment upon written notice to do so by the City of Solvang. The owners agree that the City of Solvang, by granting this permit and right to encroachment, shall not in any way diminish nor decrease the City of Solvang's rights or powers.

5. Owners agree that this agreement shall be binding on owner's heirs, successors and assigns and that all the terms, covenants and conditions imposed by this document shall be binding upon the successors in interests of owner, without releasing owner. The owner agrees to promptly notify the City of Solvang in writing upon sale or transfer of said property.

6. This permit may be revoked at any time and / or additional fees may be assessed if the City of Solvang determines the owner of this permit has failed to meet the City of Solvang Standards for Encroachment or if the City of Solvang determines the encroachment indicated hereon is not in the best interests of the community .
