

City of Solvang Amnesty Program

Bring your property into compliance
without fines or penalty fees.
Apply January 1, 2020 - December 31, 2020

Have you purchased property that has
unpermitted construction? Have you done unpermitted
work to your property?

The City of Solvang is offering an amnesty program to both
residential and commercial property owners. This program is meant to
improve the health and safety of our community, improve
property values, and decreases liability through the permit process.

How to Apply For Amnesty

- Contact (or visit) the City of Solvang Planning Department
- Provide the address of the property you would like to permit with a brief description of the unpermitted work.
- Staff will do an initial internal review of your project to determine the requirements for permit approval. A site inspection is available to help determine specifics.
- A determination and any additional application requirements or directions will be provided to the applicant based on the research.
 - As a team, we will resolve your permitting needs.

City of Solvang Planning and Building Department
411 Second St. in Solvang or call 805.688.4414
Go to www.cityofsolvang.com for more information

Amnesty is not meant to allow the continuation of unpermitted work but to bring unpermitted construction into compliance with the Solvang municipal code which includes building and zoning regulations.
