2. The City of Solvang, any school, school grounds, public and/or private parks, public and/or private property being utilized in conjunction with this league will not assume responsibility for personal injury or property damages to persons participating in this adult sport activity. **The participant recognizes there is a risk of injury by participating in this program.**
3. The Recreation Staff shall serve as League Director and has final authority to make decisions regarding all league rules and regulations.
4. The team manager(s) has full responsibility for assuming all financial obligations to the city regardless of cause.
5. **Damage incurred to self, other persons, vehicles, homes, or other public and/or private property is the sole financial responsibility of the player(s) responsible for causing the damage.**

II. GENERAL PLAYING RULES / FIELD RULES

1. The League Director will determine placement of teams within the various divisions of the league.
2. A fifteen (15) run rule after five (5) innings of play will apply all season. After a complete inning if one team is ahead by more than fifteen (15) runs the game will be stopped.
3. The games start promptly at the scheduled time. Game time is forfeit time. (If both managers agree the 5:45 game may have a 10-minute leeway to begin but the length of the game will be reduced from 60 min. to 50 min.). If no official is present at game time, team managers may jointly agree to play the game and if so, the final score from that game **will stand**. If team managers agree not to play the league director will reschedule the game at the earliest time available.
4. Sliding is permissible, however, players who flagrantly slide or dive into a base/player with the intent of hurting/intimidating a defensive player is subject to being ruled out and/or ejected from the game.
5. On a double play, the runner who was called "out" must get out of the way of the fielder attempting to make the next out. If runner fails to get out of the way, the batter will also be called "out."
6. *Please note that field rules are designed with your safety as our primary concern.*

SUNNY FIELDS 1) The backstop fence extends down the first and third baseline and any ball that passes those "imaginary" lines is ruled dead.

7. A double base is for the safety of both the offensive and defensive players. The 1st baseperson is supposed to use the part of the base in fair territory while the base runner is to use the part in foul territory. This does not apply to the case where an errant throw causes a fielder to move into foul territory.

III. PLAYER ELIGIBILITY / TEAM ROSTERS / LATE ROSTER ADDS

1. A roster of players is to include names, addresses, zip codes, phone numbers, and signatures of **ALL** players. Roster limits maximum of eighteen (18) players for the Men's League and eighteen (18) players for the Coed League. 3. Each Team Manager ASSUMES THE RESPONSIBILITY of assuring that each of his/her players is legally rostered. A player found to be "illegal" for whatever reason is subjecting his/her team to a forfeit, his/her Team Manager to a suspension, and himself/herself to a suspension.
4. A player whose name appears on one or more rosters will have to "legally" participate on the team he/she plays for first in league play.
5. Players may be added throughout the "Late Add" process during the first three (3) weeks of play only. No one residing outside of the Santa Ynez Valley may be added through the "Late Add" process without the consent of the League Director and all managers in the league to which the player is being added.
6. If a team has been "officially" dissolved, players from that team may be added to another team roster using the late add process.
7. A Team Manager may petition the league to add players to his/her league roster following the first three (3) weeks if exceptional justification is given to

the League Director to support this action. *Suggestion: Fill up your roster before the season begins.
