

9-3B-10: TEMPORARY SERVICE:

- A. **Duration Of Service:** Temporary service connections shall be disconnected and terminated within six (6) months after installation unless an extension of time is granted in writing by the city. (Ord. 86-32, 4-3-1986)
- B. **Deposit And Rates:** The applicant shall deposit, in advance, an amount equal to one hundred dollars (\$100.00) for each inch or fraction thereof of temporary service desired. Upon discontinuance of service, the actual cost of installing and removing the facilities required to furnish said service, exclusive of the cost of salvageable material, shall be determined and an adjustment made as an additional charge, refund or credit. The applicant shall pay the estimated cost of service in advance or shall be otherwise required to establish credit.

If service is supplied through a fire hydrant, the applicant will be charged in accordance with the following rate schedule:

Flat charge per connection, for both installation and removal of service facilities, including meter \$65.00

(Ord. 90-108, 2-26-1990)

- C. **Installation And Operation:** All facilities for temporary service to the customer connection shall be made by the city and shall be operated in accordance with its instructions.
- D. **Responsibility For Meters And Installation:** The customer shall use all possible care to prevent damage to the meter or to any other loaned facilities of the city which are involved in furnishing the temporary service from the time of installation until removal, or until forty eight (48) hours' notice in writing has been given to the city that the installation is no longer required. If the meter or other facilities are damaged, the cost of making repairs shall be paid by the customer.
- E. **Temporary Service From Fire Hydrant:** If temporary service is supplied through a fire hydrant, a permit for the use of the hydrant shall be obtained from the city. It is specifically prohibited to operate the valve of any fire hydrant other than by the use of a spanner wrench designed for this purpose.
- F. **Unauthorized Use Of Hydrant:** Tampering with any fire hydrant for the unauthorized use of water therefrom, or for any other purpose, is a misdemeanor punishable by law⁶⁰. (Ord. 86-32, 4-3-1986)
