It will be necessary to contact the CITY OF SOLVANG, 1644 OAK STREET, for their certification as to (Water) (Sewer) availability. This completed form is to be returned to the Building Department Office.

The City of Solvang certifies that (Water) (Sewer) is available and will serve the above-described structure in accordance with the rules and regulations of the City.

In accordance with the rules and regulations of the City of Solvang, this certification shall automatically terminate and be without further force and effect after the passage of 90 days from the date of issuance thereof, unless during such period a valid building permit shall be issued and construction commenced with respect to the project subject thereof.

A licensed bonded plumber that is bonded with the City must do the sewer connection. Contact the City for a list. Water, sewer and traffic mitigation fees will be calculated and shall be due and payable at the time of connection, or to obtain Certificate of Occupancy clearance.
