

V. Lopez Jr & Sons Construction, under contract with the City of Solvang will begin the Second Street Drainage and Lot 5 Improvement Project on **Monday, September 19th at 7 am.**

This project scope includes the installation of 24-inch storm drain and storm drain manholes in Second Street between Copenhagen Drive through Oak Street, terminating within Lot 5.

The work is anticipated to begin at the intersection of Copenhagen Drive and move south towards Oak Street.

Traffic Control will be established on Second Street including “No Parking” zones and lane closures, as necessary, to route vehicles and pedestrians around the work zone to ensure the safety of the workers and the traveling public. The project is expected to take 10-12 weeks to complete.
